## MyFuture Parental Notification and Consent Letter for Boys & Girls Club

Dear Parent/Guardian,

NAS Sigonella Child and Youth Program will be utilizing MyFuture, an online platform created by Boys & Girls Clubs of America. MyFuture is BGCA's mobile-friendly social platform with access to over 250 Boys & Girls Club program activities in areas such as STEM, leadership and the arts. With MyFuture, kids and teens can learn new skills, connect with their friends, and earn recognition and rewards in a safe and fun online environment.

Club members will access the MyFuture platform to create their own member profile (which require Club staff approval) and start earning recognition. Members can earn stars (for completing lessons or activities), badges (for completing clusters of activities) and master badges (for achieving a specific number of badges).

Everything your child does and creates in MyFuture can be safely shared on the platform and in the Clubs, so you and the rest of the community can see what they're creating and accomplishing.

Our commitment to keeping the young people we serve is always our number one priority. NAS Sigonella School Age Care will actively monitor member activity on MyFuture, and will make every effort to protect member information by, among other things, maintaining control of and access the data collected.

BGCA only collects as much information about a child as is reasonably necessary for the child to participate in the site, and BGCA does not condition his or her participation on the disclosure of more personal information than is reasonably necessary. BGCA will never sell or transfer a child's information to a third party unless required to do so by legal process or unless BGCA has received consent to do so.

At any time, you may review your child's personal information maintained by BGCA, require BGCA to correct or delete the personal information, or refuse to permit BGCA from further collecting or using your child's information. You can review, change, or delete your child's personal information by sending BGCA an email at [myfuture@bgca.org](mailto:myfuture@bgca.org).

Tools such as MyFuture are an important link for youth to engage in productive out-of-school-time activities that will help lead them down the path to success as adult members of society. If you have any questions regarding the above or would like additional information about MyFuture, please do not hesitate to ask.

I understand and consent to having my youth use MyFuture.net with NAS Sigonella Child & Youth Programs. I understand I may receive a copy of my youth's login and password information upon request.

Youth Name: \_\_\_\_\_ Parent Name and Signature: \_\_\_\_\_

I do not consent to having my youth participate in MyFuture.net with School Age Care. I understand that if my youth wins the National Art Contest, their work will not be able to be submitted to BGCA and will remain at the Local Level.

Sincerely,

Audrey Ralon  
Youth Director
