Ages: 3-5 years of age

Preschool Services for Children with Disabilities (PSCD) offers eligible young children with disabilities specially designed instruction, support, and services to meet their identified individualized learning needs. Current adopted DoDEA College and Career Ready Standards and curriculum materials for preschool are used to support the implementation of each child's Individualized Education Program. Curriculum and instruction include focus on development of individual skills such as: expressive/receptive communication, language development, motor skills, and social skill development.

Enrollment Eligibility

PSCD are provided for children three to five years of age who demonstrate an unexpected delay in developmental functioning when compared with the functioning of a nondisabled child of the same chronological age or have been identified as having a specific disability. Eligibility for PSCD is determined through a comprehensive evaluation process that includes standardized evaluation instruments and is confirmed by observations and professional judgment of early intervention or related services professionals.

The Fleet and Family Support Center (FFSC) is here to strengthen personal and family competencies to meet the unique challenges of military life by promoting self-reliance and resiliency. We support mission readiness, and facilitate building a strong community network of services through education and training, counseling and advocacy, community outreach and partnerships.

Services Offered:

- Work and Family Life Programs
- Counseling Advocacy and Prevention
- Sexual Assault Prevention and Response

Work and Family Life Programs:

The Work and Family Life programs directly support mission readiness by preparing service members and their families for the physical, emotional, interpersonal and logistical demands of the military lifestyle. Our programs include: Deployment Readiness Support, Ombudsman Program, Transition Assistance, Relocation Assistance, Family Employment, Personal Financial Management, Emergency Response, Life Skills and the Exceptional Family Member Program.

Counseling Advocacy and Prevention:

The Counseling and Advocacy programs provide individual, group and family counseling, victim intervention and related prevention education, and awareness programs. Programs include: Clinical Counseling, Sailor Assistance and Intercept for Life, Family Advocacy Program, and the New Parent Support Home Visitation Program.

Sexual Assault Prevention and Response:

The Sexual Assault Prevention and Response program promotes and fosters a culturally aware and informed Navy respectful of all, intolerant of sexual assault, and supported by a synergistic program of prevention, advocacy, and accountability. Support is provided through education, comprehensive response, compassionate advocacy, and just adjudication.

In 1905, the American Red Cross (ARC) was chartered by the United States Congress to provide two services:

- Disaster relief – programs focused on helping people and communities recover from disaster.
- Service to the Armed Forces (SAF) – A worldwide program that ensures that eligible former members and current members of the U.S. Armed Forces and their families have worldwide, 24-hour access to timely and reliable emergency communications, case management services, and emergency financial assistance on behalf of the military aid societies.

American Red Cross Courses Available:

First Aid for Children Today (FACT): A 10-14 hour course. FACT Critter Clan leads kids, ages 5-8

(grades K-3), through health promotion and injury prevention activities. Its environmental theme teaches safety in a non-threatening way. Topics include:

- Hygiene and health habits
- Personal safety
- First aid
- Injury prevention

Basic Aid Training (BAT):

A six-hour course. BAT introduces 8-10 year-olds to the emergency action steps, Check, Call, and Care as well as basic first aid procedures. An activity book with puzzles and games teaches children how to prevent injuries and what to do in case of an emergency.

Babysitter's Training:

A six and half hour course gives 11-15 year olds the skills and confidence to safely and responsibly care for children and infants.
